WE NEED YOUR HELP!!!

Foresters Financial and the Pembroke Playground Committee is hosting a golf tournament to raise funds and awareness for their handicap accessible playground at Pembroke School.

WIN PRIZES FOR YOU AND YOUR SCHOOL!!!

How it works:

We need golfers and sponsors for the tournament!! We are counting on each teacher to get at least one sponsorship or one foursome to play in the tournament. If every teacher finds one sponsor or foursome to play in the tournament, together we can make the playground a reality!

There will be prizes for the following categories:

- Teacher with the most sponsorships: \$100 Amazon Gift Card
- Teacher with the most foursomes: \$100 Amazon Gift Card
- Teacher that raises the most money: \$100 Amazon Gift Card

School that averages the most money per teacher:

\$1,000 in School Supplies

ALL OF THE PRIZES ARE BEING DONATED BY FORESTERS FINANCIAL

Step 1:

Inside your folder is a flyer for the tournament and forms to sign up sponsors or golfers for the tournament. A good place to find sponsors/players is at local businesses that you frequent, family and friends that play golf, or a spouses' place of employment.

Step 2:

Fill out the forms with the information from the sponsor. Try and get as much of the information on the form as possible, as it will make it easier to follow up with them. Collect a check if possible. Checks should be made payable to: "Pembroke Playground"

Step 3:

Put all forms and checks back in the envelope and send completed registration forms and payments via the DPS Courier to the attention of Leigh Viviano at Pembroke Elementary

If you need more forms, the Union Rep will have extra.
We need to get all envelopes back no later than April 12th, 2019

*If you have any questions about the tournament or sponsorships, please contact Richard Belanger at 203-668-4654 or richard.belanger@foresters.com

Foresters Financial strength

A careful guardian of your interests

Foresters Financial™ is an international financial services provider, with members¹ in the US, Canada and the UK.

We believe in enriching lives and building strong communities – that's our purpose. It has defined us since 1874.

Our financial strength, focusing on strong operational performance and careful management, has enabled us to withstand adverse business and market conditions.

A Strong Financial Position

Foresters Financial maintains a strong financial position,

with assets of
\$17.7 billion,

liabilities of
\$15.7 billion

and a surplus of
\$2 billion²

Exceeding Risk-Based Capital (RBC) Guidelines

The RBC ratios of each of The Independent Order of Foresters (IOF) and Foresters Life Insurance and Annuity Company (an IOF subsidiary) exceed the NAIC guidelines.

The National Association of Insurance Commissioners (NAIC) has developed the Risk-Based Capital (RBC) guidelines to set minimum levels of capital appropriate for an insurer to support its business and operations taking into account its size and risk profile.

A History of Excellence

The independent rating agency A.M. Best has given both Foresters Life Insurance and Annuity Company and The IOF an "A" (Excellent) rating for excellent balance sheet strength and operating performance, with The IOF having received the same rating for 18 consecutive years.³

A fraternal benefit society

Like all life insurance providers, Foresters Financial is monitored by federal and state regulators, who can take action if solvency becomes an issue.

State guaranty associations offer policyholders some protection. These associations were created by state legislation and funded by participating insurers. Foresters Life Insurance and Annuity Company is a member of the state associations where it operates.

The IOF, as a fraternal benefit society, is not a member of state guaranty associations. Instead, in the event the reserves of a class of certificates become impaired, Foresters members may be subject to a special assessment to maintain reserves. However, this has happened only once - in 1913 for certificates issued before 1898.
